

# KINGSTON

KITCHEN & BATH

## INSTALLATION and FITTING INSTRUCTIONS

### Bathtub Caddy Tray

1. Assemble the tub shelf by snapping the soap trays into place.
2. Insert ends into the center part of the basket.
3. This basket is designed to fit tubs that has an inside dimension of 23" to 28" at the top rim.

4. Pull on the side extensions until the rubber ends of the extensions are resting on the tub rim.
